PROFILE

Mission-driven and design-build focused architectural designer pairing a builder's mindset with a designer's eye. Hands-on site experience, education in Architectural Studies and Construction Management, and proficiency in BIM and visualization tools - approaching every project from concept through constructible detail.

EXPERIENCE

Freelance Architectural Visualization

2025 - Present

Independent

- Renovation visualization for real clients - from site measure and sketch to photoreal render in Twinmotion and Unreal Engine 5.

Resource Coordinator

2022 - 2024

Happy Kids Pediatrics & Feliz Care Centers

- Managed scheduling, insurance verification, and specialist referrals under HIPAA-compliant patient-care standards.

Parcel Delivery Driver

2019 - 2022

OnTrac

- Planned routes and commercial delivery logistics with full accountability for time-critical distribution.

Generator Mechanic / Electrical

2008 - 2012

U.S. Marine Corps

- Coordinated setup and repair of field power units and components to USMC standards.

Excavation Laborer

2006 - 2007

J. Skalley Site Work

- Executed excavation for foundations and drainage - the origin of a hands-on constructibility mindset.
